

THE LEWIS G WEEKS GOLD MEDAL: CALL FOR NOMINATIONS

The Lewis G Weeks Gold Medal is awarded by the APPEA Board in recognition of an individual's outstanding contribution to petroleum exploration that has materially encouraged Australian oil and gas exploration and production.

The APPEA Board awards the Lewis G Weeks Gold Medal to commemorate the contribution of Dr Weeks' pioneering geological work in Bass Strait and his contribution to Australian petroleum exploration.

Eligibility:

Candidates may be considered eligible for their outstanding service towards promoting the objectives of the industry through highly valued contributions petroleum exploration that has materially encouraged Australian oil and gas exploration and production by:

- Successfully applying exploration techniques; or
- Developing improved exploration methods; or
- Substantially contributing through teaching or administration.

This award is well recognised within the oil and gas industry and if you are aware of a person with the appropriate credentials, we would be very pleased to receive your nomination in accordance with the following:

Nominations must:

- Be made in writing.
- Detail the nominee's service and contribution to the Australian oil and gas industry consistent with the eligibility criteria.
- Provide the names of three prominent members of the industry who support the nomination and are prepared to act as referees for the nominee, including at least one APPEA Board Member.

If awarded, the Medal will be presented at the 2023 APPEA Conference in May 2023.

Nominations for the award should be marked "Confidential" and sent via email to:
